The Honda Young Riders programme includes:

Kick start: A theory session to get ready for the real thing. Our expert trainers will teach riders the ins and outs of their vehicles, giving them tips on safety and how to ride their bike. This is also an opportunity for them to learn from the more experienced adult riders attending the theory session.

Ignition on: Our young riders will be given a one hour practical application session where under the guidance of our trainers, they shall be given the opportunity to run with all they have learnt.

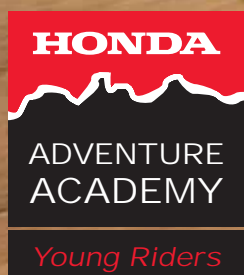

Time to get dirty: Time for the real thing! Under the watchful eye of our instructors, they will apply all they've learnt and really get down and dirty on an outride.

After successfully completing the course, riders will receive a Honda Adventure Academy Off-road Biking Certificate of Proficiency. Lunch and refreshments are included.

Gear up: Rider safety is paramount, a helmet, goggles, gloves, long sleeve shirt, jeans, boots, chest protectors, knee and elbow guards are the minimum must haves.
