The Power of Dreams

Style that won't go out of fashion.

THE ALL-NEW HONDA E-STORM

Introducing the ultra affordable Honda e-Storm. With class-leading fuel economy, front disc brakes, electronic start and gear position indicator, the only thing we've compromised on is the price. Add to that its radical design and three-tone colour scheme and it's not hard to see why the e-Storm is the only way to get where you want to go, in style.
